RESPONSE TO REVIEWER-2

Sr. No.	Reviews Comment	Response
		Thanks a lot, dear reviewer, for these kind and valuable comments and for providing us with the opportunity to revise our manuscript. We are very grateful for all the valid and valuable comments. These helped us a lot to improve our work.
1.	It would be better to not have Indonesia on the title	Dear reviewer, we have changed the title as suggested
2	Please place your full name, institutional name and email address below with corresponding information	Dear reviewer, we have added the required information as per suggestions of your kind self
3	3-5 keywords	Dear reviewer, we have revised the keywords to 5 in total
4	Please remove all the numbers	Dear reviewer, we have removed all the numbers from headings as suggested
5	Split the hypotheses to match the results presented in Table 4. Please move all hypothesis under right before method section	Dear reviewer, we have aligned the hypothesis with results and also moved them right before the method section as suggested Please see Page 9
6	What is the rationale of your study? How did you identify them?	Dear reviewer, we have added the rationale of the study as per your kind suggestion Please see Page 10 Dear reviewer, they were identified by following various religious, social media pages/accounts/sites
7	Title of table is needed and fix the table based on APA 7th please	Dear reviewer, many thanks for your kind suggestion. We have already provided the details of all the scales and items in the text. Therefore, we believe there is no need to add this table as it will create an issue of redundancy. I hope your kind self will consider this.
	Please explain this figure. A couple sentences would be great.	Dear reviewer, we have explained the figure as per your kind suggestion Please see Page 20
	The conclusions drawn are not very robust. I believe more in-depth information could be gleaned from the findings presented. It is important to make sure that the claims made in the indicative introduction about what the paper will argue are revisited in the summative conclusion (preferably with some brief reference to the main points made in the body of the paper).	Dear reviewer, we have revised the results and discussion and conclusion section as per your kind suggestions and guidance Please see page 19, 21,22,23

	I suggest authors always have their work edited by a professional English editor before submissions. Find someone who is a native speaker of English to proofread your paper.	Dear reviewer, proof editing has been done with the help of proof editors.
	Revise the rest of paper to ensure this conforms to the standard formatting of Journal of Ethnic and Cultural Studies authors' guideline and – refer to the 7th edition of the APA Publication Manual in this regard.	Thanks for the kind suggestion. Proof editing is done with the help of professional proof-editors
	And look over references to see all in present in the text and vice versa.	Cross-checked dear reviewer. All the references are reported through Endnote software using APA 7 th edition Style.
	Please submit a plagiarism certificate too when you submit your revised paper. Please your short bio wit ORCID ID numbers	A plagiarism certificate has been attached. Short bio has been added at the end of the paper
	Please add all DOI number	Dear reviewer, we have added all the DOIs as per suggestions
