Dear **Muslimah, Abd. Rahman, Hamdanah, Mazrur, Muhammad Tang S**

After peer review process, the article titled **"The Ways to Teach Children in Decision Making Based on Parents Educational Level"** has been provisionally accepted for rapid publication in **International Journal of Early Childhood Special Education**.

International Journal of Early Childhood Special Education (INT-JECSE) is an online, open-access, scholarly, peer-reviewed journal offering scholarly articles on various issues of young children with special needs (0-8 age) and their families. The INT-JECSE publishes empirical research, literature reviews, theoretical articles, and book reviews in all aspects of Early Intervention (EI)/Early Childhood Special Education (ECSE). Studies from diverse methodologies, including experimental studies using group or single-subject designs, descriptive studies using observational or survey methodologies, case studies, and qualitative studies, are welcome. High technical quality in the design, implementation, and description, as well as importance to the field is required to be reviewed and published in the INT-JECSE.
