General Review:

The author has concern in legal studies. However, the consequence is the discussion inside is more sound as the pure study on law. Meanwhile, the author seemed to provide a political approach in this discussion. Where are some characteristics of legal-political studies in this article??

Catatan umum reviewer:

Kekuatan artikel ini terdapat pada focus and scope yang sesuai dengan Mazahib Jurnal Pemikiran Hukum Islam. Hanya saja, perlu beberapa catatan untuk menyempurnakan artikel ini.

1. Penulis harus menjelaskan konteks sharia multilevel marketing dan urgensinya jika dibahas melalui kajian politik hukum. Jika yang lain hanya mengkaji multilevel marketing sharia dari perspektif normatifitas, penulis harus meyakinkan bahwa dimensi politik hukum lebih penting dari hanya sekadar pembahasan normatif tentang multilevel marketing sharia melalui peraturan peruruan, fatwa MUI, dst. Sajikan argumen ini pada pendahuluan;
