[Paper for Proofread: 1672-JEELR](#)

Dear Mazrur

We are going to publish your paper in the forthcoming issue of "JEELR". Please improve your paper by changing the following:

1. Please check all the section numbers of the article.
2. Your paper abstract should not exceed **200 words**.
3. You should present from 6 to 10 keywords in the paper.
4. It is necessary to review the English (English must be improved).
5. Please provide the details of missing information in the references.
6. Please send us ORCID profile link of all authors. If you don't have an ORCID profile, please open the given link ([www.orcid.org](http://www.orcid.org)), create a profile and send us a link.

Please send us a revised file within 48 hours by including the above comments. Otherwise, your paper will be pending for publication.

**Note:** We also require email ids and phone numbers of all authors and a [picture of only corresponding author](#). It's compulsory for our new format to add the picture of the corresponding author. We are waiting for your reply.

I look forward to hearing from you.

Sincerely,

**Sara Lim***Managing Editor*

**RESPONSE TO REVIEWER-A**

Sr. #	Reviewer's Comment	Response
		Thanks very much, dear reviewer, for your kind remarks and for allowing us to revise our manuscript. We are very grateful for all the valid and valuable comments. These helped us a lot to improve our work.
1	Please write your institutional association, or if you are independent scholar, please provide us your address and country name.	Done, dear reviewer. Please see page 1
2.	The abstract rewrites in the following headings: Purpose, Design/Methodology, Findings, Conclusion, and Practical Implications.	Dear reviewer, we have revised the abstract as suggested Please see pages 1
3.	In this section you need to specify what makes this study original. What have you done differently that hasn't been done before? Your contribution shouldn't be more than 50 words.	Dear reviewer, following your kind guidelines, we have now added the study contribution Please see page 1
4.	You have used this term throughout the document, but have not defined it. Please define it for the benefit of your reader.	Many thanks, dear reviewer. We have now defined TAM please see pages 1 and 2

	TAM	
5.	Please rewrite following sentence in order to fix the issue of text overlap.	Done, dear reviewer, Please see page 4
6.	Please write the explanation paragraph below the subheading?	Done dear reviewer, Please see page 4
7.	Please rewrite following sentence in order to fix the issue of text overlap.	Done, dear reviewer, Please see page 5
8.	Please rewrite following sentence in order to fix the issue of text overlap.	Done, dear reviewer, Please see page 6
9.	Please provide the missing value of the red question marked circle.	Dear reviewer, the R2 values only appear for dependent and mediatory variables based on the impact of any independent variables. As perceived ease of use (PEOU) is an independent variable, and no other variable impacts it, there is no R2 value for this variable.
10.	Please provide the full form of abbreviations variables in the note of figures	Done, dear reviewer, Please see page 7
11.	Please provide the missing value of red question marked circle.	Dear reviewer, there are no R2 values for the structural model as it only depicts the t-values (presenting the significance level of casual relationships. Hence, there are

		no values for the highlighted variables.
12.	Explain figure 3 in the text followed by a suitable verb in the present tense: e.g. Figure 3 illustrates, etc.	Done, dear reviewer,  Please see page 8
13.	References highlighted are incomplete. Please provide complete details	Dear reviewer, we have provided the doi number for the said reference (it is a book chapter and a complete reference)  Please see page 11
