Dear Author,

After editorial discussion we concluded that your article needs some improvements.

First of all your theoretical framework need to be rewritten or redesign. It need more reference, more depth and links with your aims and problem. And the method is rewritten more depth. Specifically, what type of document analysis should be explained. After that you would send your manuscript back to us for evaluation.

We are waiting your new and developed paper.

Regards
.....
Editur-in-chief of TUSED

Dear Author,

We have reached a decision regarding your submission to Journal of Turkish Science Education (TUSED).

Based on the reviewers' comments, we have decided that your manuscript needs revisions and a second review by the associate editor. You can find suggestions on review form in below. Your manuscript will be re-evaluated, if you fix your article according to the reviewer comments within three weeks. And you should be sure including a cover letter detailing the changes you have made.

Thank you for your interest in the Journal of Turkish Science Education

Sincerely,
Prof. Dr. Salih ÇEPNI

Dear Editor in Chief of TUSED
 In the finding section, I have added a literature review on the integration of science and religion beyond Indonesian literature in accordance with the reviewers' comments. The discussion has been enriched with relevant theories and research results. This revised manuscript is marked in red letter. In addition to the results of the revision I also attach the results of similarity checker. Thank you very much for considering my manuscript going to the review stage.
 Best Regards,

Dear Author;

Manuscript ID1316 which you submitted to TUSED, has been reviewed.

We are pleased to announce that your article is **accepted**. At this stage, there are two aspects required from you

- 1) You should make sure you do proof-reading effectively in order to produce a quality publication in TUSED. You must do proof reading and editing on OrEgDa (<https://www.oregda.com>). Please, while sending your article, you indicate that you sent this article on TUSED. Then, you must show us a document which was done proofreading and editing.
- 2) Editorial board suggested that you include more references benefiting from articles published in TUSED. So, you should look at articles published before.

Thank you for submitting your manuscript to the Journal of Turkish Science Education. The Editors of the Journal of Turkish Science Education look forward to your continued contributions to the Journal.

Dear Dr. Muhammad Nasir;

The proof reading and editing service in OrEgDa takes about two-three week after sending the fees.

Your article's cost: 220 Dollars.

If it's suitable for you, we can put your article on the process.

Sincerely,
OrEgDa Team.
