The conclusion of the study is the resumes of chapter I till chapter III and the answer of the problem of the study which the finding is based on the result of data analysis. The suggestion is expected to make batter improvement and motivation for students, teacher and researcher related with the teaching learning of vocabulary by cartoon movie.

#### A. Conclusion

Based on the result of data analysis, it showed that using English song media effective in teaching vocabulary mastery at the seventh grade students at SMP Islam Nurul Ihsan Palangka Raya.

It saw from the result of t test calculation using manual calculation, it was found that  $t_{\text{observed}}$  was higher than  $t_{\text{table}}$  at 5% and 1% significance level ( $2.00 < 5.051 > 2.65$ ). It meant  $H_a$  was accepted and  $H_o$  was rejected.

#### B. Suggestion

##### 1. For Students

English song is one of media used to develop the students' vocabulary. It could help the students more motivated to remember the words than they have received from the teacher or a textbook (the students could learn it easily). Therefore, the writer recommended to the students to use English song as a media to increase their ability in English vocabulary.

## **2. For Teacher**

The writer recommended to the teacher to apply this media (English song) in improving the students' vocabulary as alternative media that could be used in teaching vocabulary. So, it could help the students learn vocabulary easily. It is based on the result of the study showed that using English song effective in students' vocabulary mastery.

## **3. For Future Researcher**

In teaching vocabulary using English song, the writer found some problems, such as the writer could not manage time well, voice of the song was weak because sometimes the students make some noise, so not all of the students could hear the voice of the song, and the writer combined second language and first language in teaching vocabulary, because the students were confused and they were not understand. So, for the next researcher, the writer hoped they could improve this media (English song) better and more interesting. They also should study to manage time well, so teaching and learning process more effective.
